With small enrollment, students can work one on one with instructors. Instruction levels range from beginning to advanced.

Artists from Creative Services will help students finalize their cover ideas and can help give students a start on the inside sections of their yearbooks. Experienced advisers and Jostens representatives will lead students through the three and a half day adventure of planning a yearbook and giving the book a look of its own.

Areas of coverage include: basic and advanced layout and design; planning and organizing; advertising and book sales; copywriting; designs for covers, endsheets, openings, division pages, and sections, and budget planning.

The Yearbook Workshop is located on the beautiful campus of DePauw University in Greencastle, IN, which is 40 miles west of Indianapolis. The small campus complements the informal atmosphere of the workshop. Air-conditioned dormitory rooms are a new addition to the workshop this year.

Students no longer will be housed in Longdon Hall. They will enjoy the comfort of air-conditioned rooms in Hall.

The modern performing arts center plays host to students as they work in its air-conditioned building.

June 28-July 1, 1992, serves as a good time for students to meet before family vacations take over their minds.

\$175 covers the cost of accommodations, good food, and quality instruction. (Enrollment after June 1 is \$185.)

May 26, 1992

Hello Parents,

Well, summer is almost here and we are in the process of making plans for an enjoyable summer and an even better next year. Allow me to introduce myself: I am Robert Wilson, new yearbook sponsor. I would like to not only take the opportunity to introduce myself but to also solicit your help on next year's yearbook.

Our yearbook company sponsors a yearbook 'camp' for 4 days during the summer at Depauw University, June 28 - July 1. This camp will allow our students to have hands-on help with professionals to train and assist them in producing a quality yearbook for the school. The cost for the camp is \$175.00 before June 1 and \$185.00 after. We are fortunate that the cost for the camp is not past on to you - We have the resources for 5 students to attend. Outside of the cost of the camp, please refer to the brochure for suggested items to bring.

Please inform me, using the form below, as to whether or not your son/daughter is interested in going. The sooner-the-better as we only have limited space. I will be informing you as to who will be going before school is out so that all can make plans for transportation and such. Please offer your notice by May 29th so that we may finalize our plans. Thanks.

Thank you,

Robert Wilson
Yearbook Sponsor

CC: Rachel Stone, Principal

We are in need of:
- an eighth grader to Freshman
- Freshman to Sophomore

P.S. If your child is involved in any notable events over the summer, we would be interested in any story that could go along with it as well as pictures. This will allow us to do a 'round the year yearbook.

My Son/Daughter is interested in the yearbook camp. Our summer address will be:
